Welcome to the George, pick a table, order your food at the bar, we will deliver it to you

The George Inn is a traditional English Pub serving real ales, lagers, ciders, fine wines and rustic fayre, sourced locally wherever possible, with a great team of staff waiting to serve you.... However, if there's anything we could have done better please tell us, we'd love to get everything right, sometimes we just need another point of view.
